

Setting Up Application Environment

CREATE IBM CLOUD ACCOUNT

The image shows two screenshots of the IBM Cloud web interface. The top screenshot is the login page at `cloud.ibm.com/login`. It features the IBM Cloud logo, a "Log in to IBM Cloud" heading, a "Forgot password?" link, and a login form with a username field (containing `910019106037@student.autmd.edu.in`), a password field (masked with dots), and a blue "Log in" button. The bottom screenshot is the IBM Cloud dashboard after login. The user is identified as "SHAKEEL SHERIFF M". The dashboard includes a "For you" section with four cards: "Build" (purple gradient), "Build a data lake" (1 hr, Recommended), "Explore IBM Cloud Shell" (2 min, Getting started), and "Create and deploy an application" (5 min, Getting started). A "Planned maintenance" section is also visible at the bottom right. The interface includes a search bar, navigation menu, and a user profile dropdown.
